

INSTALLING THE BSDI CLIENT UPDATE

This document will outline the steps necessary to download, and install, an update to the BSDI Client software. (Please note, that the update needs to be installed on each PC that is running the BSDI Client Software.)

- Click on the "BSDI Client.msi" link. (This link can be found at our Software Download Center; <u>http://bsdi.cc/ProductDL.aspx</u>)
- 2. In the window that appears, click on the "Save" button.

File Download - Security Warning
